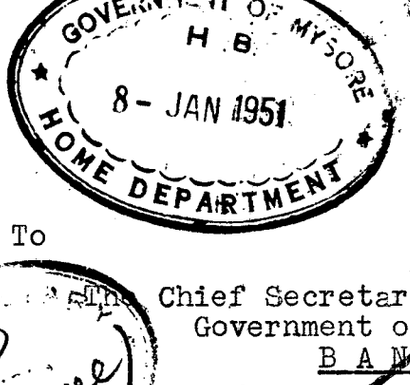
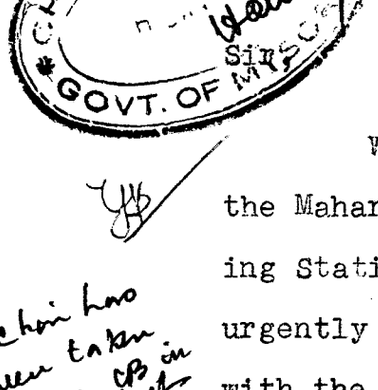
GOVERNMENT OF MYSORE



No. 173) /50-51

Office of the Station Commander,
"B" Forces, Mysore State Troops,
Mysore, 4th January 1951.

To



The Chief Secretary to
Government of Mysore,
BANGALORE.

Sir,

While I was on leave the Private Secretary to H.H. the Maharaja of Mysore seems to have requested the Officiating Station Commander to spare three lorries as they were urgently required. The lorries were accordingly spared with the drivers at 9 A.M. on 27-12-1950. The period for which they were required had not been intimated nor had there been a formal requisition. On return from leave on the 29th December 1950, I had a talk with the Private Secretary to H.H. the Maharaja of Mysore and he agreed to make a reference to Government for permitting the use of the Military lorries and approving the Station Commander's action in having spared the lorries in anticipation of sanction and send a copy of the reference to me. Till now no such reference is received except a requisition dated 26-12-1950 to the Station Commander to spare the lorries for transporting tents and furniture to Bangalore in connection with the Indian Science Congress there. This requisition too (copy enclosed) was received by me only on 30-12-1950 and could not be acted upon in the absence of Government Orders for sending the lorries for the purpose. As the Private Secretary has not sent a copy of his letter to Government as promised and as it was not known if any such letter has been sent up to Government, I was obliged to get back the lorries on 2/1/51, when they returned to Mysore on a Return Trip. This for the information of Government.

Action has been taken in the matter.

Yours faithfully,

STATION COMMANDER.

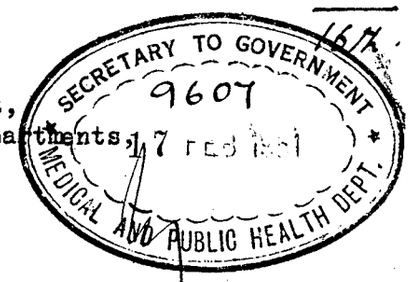
Government House, Mysore.

15th February 1951.



The Secretary to Government,
Medical & Public Health Departments,
Bangalore.

Dear Sir,

I write to state that three lorries were borrowed from the H.H.M.O.I., from 26-12-1950, for transporting to and fro tents and furniture from Government House to the Bangalore Palace in connection with dinner arrangements to the Hon'ble Prime Minister of India on 1-1-1951, and also to the Residency Guest House for accommodating the delegates of the Science Congress.

The Station Commander has now sent a bill for Rs.1,791-2-6 which comprises of:-

Transport charges of the vehicles	Rs.1,754- 2-6
T. A. of the Drivers ...	27- 0-0
Value of two fan belts broken	10- 0-0

and has suggested that the value of petrol supplied from Government House may be deducted therefrom. In this connection I write to state that having supplied the required quantities of petrol for the vehciles which were used mainly for Government purpose, I am of the opinion that the claim of mileage on these vehicles is not appropriate and request that the Government may please be moved to waive the claim of the Station Commander. If the practice of meeting such bills is admitted it will be difficult for this office to handle such situations on future occasions and the claim will also affect the budget grant to the Residency Guest House at Bangalore, as several trips were made to take tents and furniture for the functions there.

Yours faithfully,

Private Secretary

GOVT. OF MYSORE.

Sir,

Sub:-Bill for Transport Hire-charges of H.H.The Maharaja's Own Infantry vehicles spared for Govt.House.

A bill for Rs.1,791-2-6 being the hire charges for the three lorries that were spared to the Government House from 25-12-1950 (actions approved by Government in letter No.14342/CB. dated 6-1-1951) was sent to the Private Secretary to H.H. the Maharaja of Mysore for arranging payment. But the Private Secretary has sent me a copy of his letter No.1058 dated ~~16-2-12~~ 16-2-1951 addressed to the Secretary to Government, Medical and Public Health Departments (concerned) in which he has claimed that the hire charges are to be waived as they were used for Government purposes. In this connection, I wish to invite kind reference to Government ~~to~~ order No. ~~G.O~~.No.P.3734-3810/Mily.106-47-2 dated 29-10-47 and G.O.No.P.10838-39/Mily.172-49-2 dated 19-1-1950 fixing the rates of hire charges for the several kinds of vehicles of the Military Department when spared for other Civil Departments of Government. No exemption can therefore be claimed merely because the vehicles were used by another Government Department. As the maintenance of vehicles is a charge on the Military Budget, waiving of a pretty big sum of Rs.1,791-2-6 would affect the Military Budget. I request therefore, that the bill which has been preferred strictly in accordance with the Government Orders may kindly be ordered to be paid at an early date. No waiving of charges has been till now done in the case of any department and when our men and the vehicles are

P.T.O.

are spared for other than Military work, their charges which are themselves concessional cannot be termed in-appropriate.

Yours faithfully,
